Re: Personnel Policy Committee Annual Outing

If you have not yet made plans to join us for our August 13 roundtable discussion and annual outing, there is still time. The results of the smoking survey will be given out and discussed at the meeting.

The Personnel Policy Committee will meet on **Wednesday, August 13, 1997** at the *American Textile History Museum* in **Lowell, MA**. We will have a self-guided tour of the museum and, during lunch, will have a roundtable discussion on current issues in our companies. After lunch, there will be an opportunity to take a tour through Lowell. This tour, focusing on the history of the textile industry, will take us through the canal system and will last about 1 1/2 hours. Please indicate below your interest in taking a tour after lunch at the museum.

.....
