UPCOMING SEMINAR: SUPPLY KNIT FABRIC TO THE MILITARY
JANUARY 23, 2002 – 11 A.M.

A concise fact-filled session that will provide answers to your questions. Among the topics to be discussed: major fabrics the government is currently purchasing (sample fabrics and garments will be displayed); utilizing the "Freedom of Information Act" to find the listing of government bids and the identity of sub-contractors; becoming part of the bidding process; using the Internet for fact gathering, and navigating through the maze of paperwork.

Our expert will guide us through the maze.
