Tour of Clark-Cutler-McDermott

Clark-Cutler-McDermott Co. was founded in 1911. The company started out making horse pads and, as they say, they are still involved in transportation, being a leading supplier of acoustical insulators to the automotive industry. This fourth generation family owned business has been kind enough to allow our group to tour their plant.

Tom McDermott will organize lunch at a local venue.

The Textile Club welcomes its members to actively participate in the Textile Club Meetings and encourages them to bring guests.

2002 Membership Fee of \$40 is due now and may be sent to David Trumbull, Club Treasurer, at 6 Beacon Street, #1125, Boston, MA 02108.

Textile Club Scholarship Fund donations may also be sent to David Trumbull.
